This legislation requires that cash-only bail amounts are equivalent to written undertakings and that written undertakings involve sureties. The result could be an undetermined amount of additional costs for defendants and corresponding additional revenue for bail bond sureties.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
