

## Fiscal Note

### H.B. 308

2016 General Session  
Disease Prevention and Substance Abuse  
Reduction Amendments  
by Eliason, S.

#### General, Education, and Uniform School Funds

JR4-5-101

	Ongoing	One-time	Total
Net GF/EF/USF (rev.-exp.)	\$0	\$0	\$0

#### State Government

UCA 36-12-13(2)(b)

Enactment of this legislation likely will not materially impact state revenue.

Revenues	FY 2016	FY 2017	FY 2018
Total Revenues	\$0	\$0	\$0

This bill allows the Department of Health to operate a needle exchange program. If the Department were to execute this option, it could incur ongoing costs from the General Fund of around \$100,000 per year.

Expenditures	FY 2016	FY 2017	FY 2018
Total Expenditures	\$0	\$0	\$0

Net All Funds	\$0	\$0	\$0
---------------	-----	-----	-----

#### Local Government

UCA 36-12-13(2)(c)

A local health department or local substance abuse authority may incur ongoing costs of up to \$100,000 per year to operate a syringe exchange program.

#### Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

#### Performance Note

JR4-2-404

No performance note

#### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
