Local Government

UCA 36-12-13(2)(c)

Enactment of this bill eliminates a provision allowing the State Board of Education to reimburse certain school districts for out-of-state tuition costs for resident students that exceed their regular state allocation for that student. Three school districts currently receive reimbursements each year, totaling nearly \$200,000.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Performance Note

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
