Enactment of this legislation could reduce General Fund expenditures for the Lieutenant Governor's Office by approximately \$8,000 per election cycle, or \$4,000 annualized, beginning in FY 2017 from verifying fewer signatures. The office could save a maximum of \$5,000 in FY 2016, with the amount of savings contingent on the effective date of the legislation; if the legislation is not effective before mid-April 2016, no savings would be realized as all signatures would need to be verified.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
