Enactment of this legislation could increase expenditures for the Governor's Office from the General Fund one-time in FY 2017, from expense reimbursements paid to members of the nominating and recruiting committee for conducting interviews with each State Board of Education candidate. In 2014, 70 individuals filed declarations of candidacy. The amount of expenditure would depend on the number of candidates, the number of committee members that request reimbursements, and other factors.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
