State Government

UCA 36-12-13(2)(b)

Enactment of this legislation is estimated to reduce the revenue to the Wildland Fire Suppression Fund by approximately \$1.1 million per year, starting in FY 2017.

Revenues	FY 2016	FY 2017	FY 2018
Trust & Agency Funds	\$0	\$(1,100,000)	\$(1,100,000)
Total Revenues	\$0	\$(1,100,000)	\$(1,100,000)

Enactment of this legislation appropriates to the Division of Forestry, Fire, and State Lands \$4,800,000 ongoing from the Wildland Fire Suppression Fund, starting in FY 2017, to be used for wildland fire suppression costs and for one half of the salary of a fire warden in Salt Lake County.

Expenditures	FY 2016	FY 2017	FY 2018

Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will reduce the amount spent by local governments on wildland fire suppression by \$2.9 million per year. Each participating county will no longer have to pay on average \$44,000 per year premium into the Wildland Fire Suppression Fund (\$1.1 million total), and will no longer spend on average additional \$62,000 per year for wildland fire suppression (\$1.8 million total). In addition, the legislation could cost Salt Lake County \$40,000 to pay for one half of the salary of a fire warden.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
