State Government

Enactment of this legislation will result in the following transfers to the Wildland Fire Suppression Fund: $2,000,000 one-time in FY 2017 and up to $2,000,000 ongoing in FY 2018 from the Mineral Bonus Account, as well as an annual end-of-year transfer of up to $4,000,000 of any surplus in the General Fund to the Wildland Fire Suppression Fund. This provision could shift potential future deposits from the Disaster Recovery Account, the Industrial Assistance Account, and other year-end transfers currently required by law. In addition, counties will no longer contribute to the Wildland Fire Suppression Fund, an annual average of approximately $1,100,000.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
