

# Fiscal Note

## S.B. 236

2016 General Session  
Utah Communications Authority  
Governance Amendments  
by Van Tassell, K.

### General, Education, and Uniform School Funds

JR4-5-101

	Ongoing	One-time	Total
Net GF/EF/USF (rev.-exp.)	\$0	\$0	\$0

### State Government

UCA 36-12-13(2)(b)

Enactment of this legislation likely will not materially impact state revenue.

Revenues	FY 2016	FY 2017	FY 2018
Total Revenues	\$0	\$0	\$0

Enactment of this bill may cost the Utah Communications Authority approximately \$1,900 annually for travel costs for members of the technical advisory board. The Utah Communications Authority has stated they can absorb these costs within their existing budget.

Expenditures	FY 2016	FY 2017	FY 2018
Restricted Funds	\$0	\$1,900	\$1,900
Total Expenditures	\$0	\$1,900	\$1,900

<b>Net All Funds</b>	<b>\$0</b>	<b>\$(1,900)</b>	<b>\$(1,900)</b>
----------------------	------------	------------------	------------------

### Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

### Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

### Performance Note

JR4-2-404

No performance note required for this bill

### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
