<b>Net All Funds</b>	<b>\$(11,600)</b>	<b>\$(11,600)</b>	<b>\$(11,600)</b>
----------------------	-------------------	-------------------	-------------------

## Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

## Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

## Performance Note

JR4-2-404

No performance note required for this bill

## Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
