### Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments because the total assessment levied by local entities remains unchanged.

### Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation may shift the amount assessed for economic promotion activities among property owners because it requires the assessment to be levied on each benefitted property. Thus, some individuals and businesses may see a decrease and others may see an increase in the amount they would have otherwise paid.

### Performance Note

JR4-2-404

No performance note required for this bill

### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
