<b>Net All Funds</b>	<b>\$0</b>	<b>\$(115,200)</b>	<b>\$0</b>
----------------------	------------	--------------------	------------

**Local Government**

UCA 36-12-13(2)(c)

Enactment of this bill may require schools to provide documentation to parents with open ORS child support cases.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

Enactment of this bill would require parents with open ORS child support cases to provide documentation for all emancipating children.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
