UCA 36-12-13(2)(b)

Enactment of this legislation may increase revenue to the General Fund by \$8,800 beginning in FY 2018 for the Courts as a result of collected criminal fine revenue.

**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation may result in increased costs for local government because it creates a new condition for the crime of trespass in a residence. A violation is a class B misdemeanor which can carry a penalty of up to six months in jail. To the extent that local governments experience these crimes, those local entities may experience costs associated with increased usage of jails although the anticipated local government fiscal impact is small.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

Enactment of this legislation could cost individuals approximately \$200 in fines. Assuming 44 individuals per year, the total statewide cost per year would be about \$8,800 beginning in FY 2018.

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
