State Government

UCA 36-12-13(2)(b)

Enactment of this legislation could reduce dedicated credit revenue to the Department of Public Safety by approximately \$13,400 in FY 2018 and \$26,800 annually beginning in FY 2019, from the reduced level of fees collected from inspection stations.

Revenues	FY 2017	FY 2018	FY 2019
Dedicated Credits	\$0	\$(13,400)	\$(26,800)
Total Revenues	\$0	\$(13,400)	\$(26,800)

Enactment of this legislation could reduce expenditures for the Department of Public Safety by \$380,500 one-time in FY 2018 and by \$761,000 ongoing beginning in FY 2019 from the Department of Public Safety Restricted Account by reducing the duties of the safety inspection program. Reductions would include elimination of seven FTE positions and reductions in office space, technology services, and vehicle expenses.

Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation could lead to a reduction in collective expenses of approximately \$15 million annually for individuals who would no longer be required to obtain safety inspections for approximately 950,000 vehicles and 65,000 motorcycles and all-terrain vehicles (savings of \$15 for most vehicles and \$7 for motorcycles and all-terrain vehicles per safety inspection certificate). Safety inspection stations could see a reduction in revenues of approximately \$15 million annually. Safety inspection stations would no longer pay certain fees to the Department of Public Safety, which amount to approximately \$26,800 in total per year.

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
