

Performance Note
HB0307 – Energy and Innovation Research
Grant Program
Sponsor: Rep. Peterson, Jeremy A

Performance Note Report

Author: Michele Pasker

Agency: Governor's Office of Energy Development

Funding for:

New Services or Benefit

Public Benefit

Purpose

To establish a grant program to expedite the deployment of new strategic energy technologies that have the potential to provide significant, positive, timely and specific contributions to Utah's energy economy with a focus on energy technologies that advance state air quality goals.

Services

none

Expected Outcomes

Expedite deployment of high-priority technologies that advance state goals for energy development and air quality.

Implementation and Resources

Energy and Innovation Research Board will identify appropriate targets for funding. Office of Energy Development will administer program. Program will be funded by transfer of sales tax.

How

Energy and Innovation Research Board will identify appropriate targets for funding. Office of Energy Development will administer program. Program will be funded by transfer of sales tax.

Performance Measures:

Goal

Title:

The funds made available under this Act will be allocated on a competitive basis to advance the development and deployment of technologies that are considered to have a significant potential to accelerate the state's energy and minerals economy, including supporting the transition of strategic technologies from research and demonstration to deployment and industry adoption.

Description:

Performance will be measured by the degree to which the targeted technology is adopted and the impact on energy economic development to the degree to which it can be measured.

Collection Method

OED will work with stakeholders to determine best method of data collection.

Target or Benchmark

Baseline

	FY 2017	FY 2018	FY 2019
Target or Benchmark	\$1,000,000	\$1,000,000	\$3,000,000
Baseline	\$1,000,000	\$1,000,000	\$1,000,000

By rule, performance notes are provided by the governmental entity that will supervise the new agency or administer the new program. Performance notes are not written by the Office of the Legislative Fiscal Analyst.
