Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation may increase costs for local education agencies (LEAs) with tenure-based salary schedules to provide the minimum required starting salary when hiring experienced teachers new to the LEA. Cost impacts will vary based on the extent an LEA currently recognizes the number of years of teaching experience an educator has accrued in a different school district when determining starting salary.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Performance Note

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
