### Local Government

UCA 36-12-13(2)(c)

School districts and charter schools may receive additional state reimbursement for eligible students that graduate early and are no longer counted in average daily membership. The amount of additional state reimbursement will vary depending on the number of students that graduate early, when they graduate early, and if the LEA and student meet the eligibility requirements as outlined.

### Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

### Performance Note

JR4-2-404

Required of the State Board of Education and due by January 24, 2017

### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
