#### Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation may result in the loss of an estimated \$720,000 statewide in local license fee revenue currently collected from home based businesses with an offsite impact that does not materially exceed the offsite impact of the primary residential use alone.

#### Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation may save businesses an estimated \$30 each annually in licensing fees for home based businesses with an offsite impact that does not materially exceed the offsite impact of the primary residential use alone. Assuming an estimated 24,000 home based businesses per year are impacted, the total statewide savings to businesses annually would be about \$720,000.

#### Performance Note

JR4-2-404

No performance note required for this bill

#### Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
