Local Government

Enactment of this bill could lead to an unknown number of new cases beginning in FY 2018, resulting in both expenditures for local justice courts to process the cases, and revenue to local courts from fines of up to \$1,325 per class A misdemeanor conviction and \$530 per class B misdemeanor conviction. Enactment of this bill could cost local law enforcement agencies for additional court appearances.

### Individuals & Businesses

Enactment of this legislation could lead to fines and surcharges of up to \$4,450 for individuals who are convicted of a class A misdemeanor and fines and surcharges of up to \$1,680 for individuals who are convicted of a class B misdemeanor.

Performance Note

No performance note required for this bill

# S.B. 111 2nd Sub. (Salmon)

## **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
