Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation could cost a public water supplier up to \$1,000 per application, depending on the amount of water involved in the application.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
