State Government UCA 36-12-13(2)(b)

Enactment of this bill could increase budgeted local property tax revenue to the Minimum School Program by an estimated \$20.0 million beginning in FY 2019. Growth in local revenue supporting the Minimum School Program decreases the amount of Education Fund revenue required to equalize the Basic School Program.

Revenues	FY 2017	FY 2018	FY 2019
Local Revenue	\$0	\$0	\$20,000,000
Total Revenues	\$0	\$0	\$20,000,000

Enactment of this bill could increase the local property tax revenue component of the Basic School Program by approximately \$20.0 million beginning in FY 2019. The result is a decrease in Education Fund expenditures used to equalize the Basic School Program equal to \$20.0 million. The bill holds the minimum basic rate at 0.0016 for five years beginning in FY 2019. Over the course of those five years, the local revenue contribution to the Minimum School Program may continue to increase depending on the taxable value of property throughout the state.

Local Government UCA 36-12-13(2)(c)

Enactment of this bill could increase local property tax revenue collected by Utah"s 41 school districts beginning in FY 2019 by holding the minimum basic tax rate at 0.0016. Preliminary estimates indicate that this may raise approximately \$20.0 million, however, the amount collected will vary depending on the local value of property in each school district. The increased property tax revenue will support the Basic School Program (WPUs) of each school district.

Individuals & Businesses

Beginning in FY 2019, enactment of this bill could increase the property tax liability for owners of a \$250,000 primary residential property by approximately \$10 and business owners with a \$1.0 million property by approximately \$75. These amounts may increase over the course of the 5 years the tax rate is held a 0.0016 as outlined in the bill.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
