

Performance Note
HB0035 - Municipal Instant
Runoff Voting Pilot Project
Sponsor: Rep. Roberts, Marc K.

Performance Note Report

Author: Derek Brenchley
Agency: Governor's Office

Funding For:

Public Benefit:

Purpose: The purpose of HB35 is to allow a municipality to participate in a pilot project for instant runoff voting for certain nonpartisan municipal offices.

Services:

Expected Outcome:

Implementations and Resources: This pilot project will be implemented and administered by participating municipalities. Municipal election officers (i.e., municipal clerks or recorders) will ensure that the instant runoff voting program adheres to established statutes and administrative rules.

How:

Performance Measures

Goal

Title: Instant Runoff Voting Pilot Project

Description: Municipalities wishing to participate in the project may notify the Lieutenant Governor's Office. Participating municipalities would be responsible for administering the pilot project.

Collection Method: Municipalities are responsible for adhering to statutes and administrative code when participating in the pilot project.
