#### Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation could save consumers \$10 on average for placement or removal of a credit freeze. Credit agencies could lose, on average, \$10 per placement or removal of a credit freeze.

## Regulatory Impact

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Note JR4-2-404

No performance note required for this bill

#### **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
