Revenues	FY 2018	FY 2019	FY 2020
Total Revenues	\$0	\$0	\$0

Enactment of this legislation could cost the Division of Water Rights \$5,400 one-time from the Water Commissioner Restricted Fund in FY 2019 for drafting new rules. Also, for every 10% of new costs associated with reimbursements for vehicle wear and tear, the total projected additional costs from the restricted fund could be \$25,000. This estimate includes labor-additive charges, because the vehicle reimbursement will exceed Internal Revenue Service guidelines and must therefore be reported as income.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
