Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation may increase the number of property liens issued by local governments for costs like weed abatement and property clearing. To the extent that local governments issue liens and collect on them, those governments may see a net increase in revenue.

Individuals & Businesses

UCA 36-12-13(2)(d)

To the extent that local governments place liens on properties associated with costs for things like property clearing and weed abatement, residents may have to pay those costs.

Regulatory Impact

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

Performance Note

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
