## Local Government

UCA 36-12-13(2)(c)

UCA 36-12-13(2)(d)

Enactment of this legislation could result in revenue loss to some local governments.

## Individuals & Businesses

Enactment of this legislation exempts certain producers from the requirement to pay fees for state licenses and certification, which is estimated to generate \$10,000 of total ongoing annual savings, starting in FY 2019, distributed as follows: \$50 for cottage food establishments for a total of \$7,500; \$50 for produce stands for a total of \$2,500. In addition, these producers could have additional savings from not having to purchase business licenses.

## **Regulatory Impact**

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

# No performance note required for this bill

#### **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
