Performance Note Report

---

Author: Debbie Lyberger

Agency: Department of Agriculture and Food

Funding For:

---

New Services or Benefit

Public Benefit:

---

**Purpose:** UDAF is to cultivate and process cannabis for academic or medical research and to provide the administrative structure to appropriately carry out the purpose.

**Services:** UDAF will ensure the cultivation of the cannabis product, whether in-house or through contract and provide the administrative procedure to ensure that the cultivation, processing and distribution of the product is conducted in an appropriate manner.

**Expected Outcome:** Year 1 Establish Rules for the cultivation, processing and distribution; Year 2 Contract and implementation; Year 3 Growth and Enforcement.

**Implementations and Resources:** This is a staff heavy responsibility to write administrative rules, write RFP and perform inspections to ensure compliance with the statute.

**How:** Benchmarks Rules by 1/1/19; RFP awarded by 6/1/19; Growth by 1/1/20; Harvesting and distribution by 6/1/20

Performance Measures

---

Goal
