#### State Government

UCA 36-12-13(2)(b)

To the extent that individuals are fined for violating provisions of this bill, the criminal surcharge account could see additional revenue equal to 35 percent of the fine of up to \$1,950 for a class A misdemeanor.

Revenues	FY 2018	FY 2019	FY 2020
Total Revenues	\$0	\$0	\$0

Enactment of this legislation could cost the Department of Health \$5,000 one-time from the General Fund in FY 2019 to update and distribute new forms and program data systems, and \$1,000 ongoing beginning in FY 2019 to monitor compliance with new reporting standards. The Department of Health indicates it can absorb these costs. Legislative General Counsel attached a Constitutional Note to this bill. If provisions in the bill are challenged in court, there will be costs associated with defending those provisions.

#### Local Government

UCA 36-12-13(2)(c)

To the extent that individuals are convicted of a class A misdemeanor for violating provisions of this bill, fine revenue of \$1,950 per occurrence could accrue to local entities. Class A misdemeanors require court processing, which could lead to increased costs for local entities.

#### Individuals & Businesses

UCA 36-12-13(2)(d)

Individuals who violate provisions of this bill could pay a fine of up to \$1,950.

### ***Regulatory Impact***

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

### ***Performance Note***

JR4-2-404

No performance note required for this bill

### **Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
