Local Government

UCA 36-12-13(2)(c)

Charter schools that opt to enroll students above the maximum number of students provided in their charter agreement may experience a greater negative funding impact when the State Board of Education must reduce funding allocations due to insufficient funds. The impact will vary by charter school depending on the number of students enrolled over the agreement and the level of insufficient funding.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Regulatory Impact

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
