**Local Government**

UCA 36-12-13(2)(c)

Enactment of this bill could reduce ongoing revenue to local governments by about \$1,266,100 annually beginning in FY 2019 in reduced fine revenue, assuming a 10 percent use of compensatory service in place of payments of fines.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

About 60,739 individuals could save about \$42.65 on average for a total savings of \$2,590,400 annually, assuming a 10 percent use of compensatory service in place of payments of fines.

***Regulatory Impact***

Enactment of this legislation could result in a small reduction in the regulatory burden for Utah residents or businesses.

***Performance Note***

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
