Performance Note Report

Author: Dan Schuring
 Agency: Department of Workforce Services

Funding For:

New Services or Benefit

Public Benefit:

Purpose: Provide funding, through a competitive grant, to counties to implement local solutions to address intergenerational poverty.

Services: Develop a grant application that aligns with the requirements of the proposal, score the grant application, award grant funds, monitor the contract to ensure counties are meeting grant outcomes and issue funding for invoices.

Expected Outcome: Provide an update in the agency's annual report.

Implementations and Resources: In FY 2019 the department will provide awarding of funds by the first quarter of the fiscal year.

How: The proposed activities will allow the department to enter into contracts with the awarded counties to provide resources for the plan implementation.
