Local Government

UCA 36-12-13(2)(c)

To the extent that some health care entities fail to meet the requirements established in this bill, the bill could expand the property tax base against which property taxes are paid. Revenues to local governments would remain unchanged.

Individuals & Businesses

UCA 36-12-13(2)(d)

To the extent that some health care entities fail to meet the requirements established in this bill, the bill would impose a property tax liability. If the property tax base was expanded to include certain health care entities, individuals and non-hospital businesses could see property tax decreases. The amount is unknown.

Regulatory Impact

UCA 36-12-13(2)(e)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
