Enactment of this legislation could lead to deposits to the Winter Sports Venue Grant Fund by shifting the ongoing and one-time General Fund appropriations to Olympic Park Improvement that are contained in S.B. 3, Item 125, 2017 General Session and H.B. 2, Item 28, 2018 General Session as follows: \$6 million one-time in FY 2019, and \$3 million ongoing beginning in FY 2019.

Enactment of this legislation could cost the Division of Finance \$1,800 one-time in FY 2019 and \$1,200 annually thereafter from the General Fund for maintenance of the Winter Sports Venue Grant Fund. Enactment could lead to grants awarded from the fund totaling \$9 million in FY 2019 and \$3 million annually thereafter if General Fund appropriations that are currently directed to Olympic Park Improvement in S.B. 3, Item 125, 2017 General Session and H.B. 2, Item 28, 2018 General Session are shifted to the grant fund. Cumulative expenditures over 10 years could be approximately \$39.3 million if the needs addressed in the Legislative Auditor General's report, "A Performance Audit of the Utah Olympic Legacy Foundation," are met.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
