Total Revenues	\$0	\$0	\$0

Enactment of this bill could cost the Lieutenant Governor's Office \$21,800 one-time from the General Fund in Fiscal Year 2018 for programming costs to a system to electronically process voter registration applications and add a temporary private record classification to the database. The bill could cost the Lieutenant Governor's Office for every 1,000 individuals registering to vote who request a temporary private record \$4,200 to review submitted evidence and \$400, for those who do not provide an e-mail address, to provide immediate notification by mail. The bill could also save the Driver License Division \$1,300 ongoing from a restricted account beginning in FY 2019 in avoided application processing costs.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
