	FY 2019	*FY 2020*	*FY 2021*
Net All Funds	$0	$0	$0

Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation could cost a business or individual up to $40 in lab fees per sample, with estimated cumulative impact on the industry of $15,000 per year.

Regulatory Impact

UCA 36-12-13(2)(e)

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

Performance Note

JR4-2-404

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
