Author: Christopher Hill

Agency: Labor Commission

Funding For:

New Services or Benefit

Public Benefit:

Purpose: The purpose of this bill is to instruct the Utah Antidiscrimination and Labor Division (UALD) of the Utah Labor Commission to develop and make publicly available informational materials that describe the Public Service Loan Forgiveness Program and the Teacher Loan Forgiveness Program. It also requires UALD to enforce the Promotion of Student Loan Forgiveness Programs Act.

Services: The services provided will be development and dissemination of informational materials that describe the Public Service Loan Forgiveness Program and the Teacher Loan Forgiveness Program, and ongoing enforcement of the bill.

Expected Outcome: The expected outcome of the new program is to provide information about loan forgiveness programs and enforce the act.

Implementations and Resources: This bill will be implemented by hiring one new full time equivalent (FTE) employee and instructing that employee to come up with the informational materials and also enforce the requirements of the bill.

How: The proposed activities will cause UALD to hire one new full time employee who will need to become educated on the loan forgiveness programs, develop informational materials, investigate violations of the act and issue orders of noncompliance.

Performance Measures

Goal

Title: Provide information on Loan Forgiveness Program and Enforce the Act.

Description: UALD will need to hire a new full time FTE to fulfill the requirements of this bill. The new FTE will need to become educated on the loan forgiveness programs, develop information on the programs, investigate violations and issue orders of non compliance.

Collection Method: The performance information will be collected by the new FTE and his/her manager and director and will ensure reliability by performing the requirements in the act, monitoring and reporting on them.
