**Local Government**

UCA 36-12-13(2)(c)

Enactment of the legislation prohibits local education agencies (LEAs) from charging certain fees as outlined in the bill. LEAs that currently charge student fees for the purposes prohibited in this legislation may see reduced fee revenue collections. Estimates from a recent audit by the State Board of Education indicate the average fee amount waived by LEAs is approximately \$125 per student compared to the average fee amount paid of \$250 per student. These amounts may include co-curricular and extra-curricular amounts. Potential revenue loss will vary by LEA depending on the current fee charged and the number of students paying the fee.

**Individuals & Businesses**

UCA 36-12-13(2)(d)

Individuals currently paying fees to local education agencies (LEAs) for categories prohibited in this legislation may see a reduction in fees paid. This amount will vary depending on current LEA fee schedules. Estimates from a recent audit by the State Board of Education indicate the average fee amount waived by LEAs is approximately \$125 per student compared to the average fee amount paid of \$250 per student.

**Regulatory Impact**

UCA 36-12-13(2)(e)

Enactment of this legislation could result in a medium reduction in the regulatory burden for Utah residents or businesses.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
