New Services or Benefit

Public Benefit:

Purpose: The bill requires UDOT, in consultation with the new Amusement Ride Safety Committee, to develop rules specifying the procedure for an applicant to apply for an amusement ride permit; procedures for an applicant to apply for safety inspection certification; establish retention schedules for records; procedures to report injuries; and adopting nationally recognized standards for safety. UDOT anticipates that we will be able to establish quantifiable performance measures upon development of those rules and process details.

Services: See previous statement.

Expected Outcome: See previous statement.

Implementations and Resources: See previous statement.

How: See previous statement.

Performance Measures

Goal

Title: Amusement Ride Safety.

Description: Inspection and Permitting of Amusement Park Rides.

Collection Method: The information on permits and certified inspectors will be tracked by UDOT and reliability will be ensured by UDOT.
