

Performance Note
SB0058 - Kratom Consumer Protection Act
 Sponsor: Sen. Bramble, Curtis S.

Performance Note Report

Author: Debbie Lyberger
 Agency: Department of Agriculture and Food

Funding For:

New Services or Benefit

Public Benefit:

Purpose: To regulate the use of Kratom in dietary supplements.

Services: The services to be provided with the funding are inspections and enforcements associated with the use of Kratom.

Expected Outcome: The expected outcome is for re-sellers to be in compliance with all laws.

Implementations and Resources: The bill will be implemented by creating rules associated to the intended purpose, inspecting for compliance, and enforcing non-compliance.

How: The intent is to encourage compliance.

Performance Measures

Goal

Title: Create rules

Description: Follow the rulemaking process to ensure rules are implemented to allow for accurate inspection and enforcement.

Collection Method: Completed rules, implementation, and enforcement.
