Local Government

UCA 36-12-13(2)(c)

The estimated cost to the state includes some funding to assist local education agencies (LEAs) in adjusting local systems to ensure compatibility with the state system. LEAs may experience additional costs depending on the extent of modifications needed to bridge established systems to the new state system. Due to multiple different systems, this amount may vary by LEA.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
