Enactment of this legislation could cost state governmental entities \$293,400 one-time and \$113,900 ongoing from the General Fund in FY 2021 to meet the requirements for data reporting. These costs include \$115,000 one-time and \$28,700 ongoing for state agencies to identify the data and prepare their systems for the annual report to the State Auditor. Agencies would pay the Department of Technology Services (DTS) dedicated credits for staff to support them in creating their reports, with the majority of DTS costs being one-time in FY 2021 to identify data and prepare reporting templates. The Office of the State Auditor would require \$8,000 one-time in FY 2021 from the General Fund to expand their information technology systems to intake and display reports from Agencies and Local Governments on their website.

**Performance Note**

JR4-2-404

No performance note required for this bill

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
