Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation prohibits local education agencies (LEAs) from charging fees for school textbooks and maintenance of school equipment. LEAs that currently charge student fees for these activities may see reduced revenue. The estimated average fee for these activities is \$13 per student, for a total of approximately \$8,671,000 in lost revenue. Potential revenue loss will vary by LEA depending on the current fee charged and the number of students paying the fee. Provisions outlined in the bill delay the effective date of these potential fee changes and impacts to the 2022-23 school year.

Individuals & Businesses

UCA 36-12-13(2)(c)

Beginning with the 2022-23 school year, individuals currently paying fees to local education agencies (LEAs) for school textbooks and school equipment may see a reduction in fees paid of approximately \$13 per student. The amount will vary based on current LEA fee schedules.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
