Net All Funds	$0	$0	$0

Local Government

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

Families with incomes above 150 percent of the federal poverty level who participate in the Children"s Hearing Aid Program will be required to pay back a portion of the assistance with interest. Approximately 38 families could pay an average of $1,100 each, for a total of $39,300 in FY 2021, expected to increase to a total of $41,600 in FY 2022.

Regulatory Impact

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

No performance note required for this bill

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
