Enactment of this legislation likely will not materially impact state revenue.			
Expenditures	FY 2020	FY 2021	FY 2022
Total Expenditures	\$0	\$0	\$0
Enactment of this legislation likely will not directly impact state expenditures if the Legislature follows past practice and convenes a Management Committee meeting and a Special Session on days when the Legislature is holding meetings anyway to address a Senate vacancy. In the event that a vacancy requires the Legislature to meet on a day other than a day when the Legislature is holding meetings anyway, this could generate state expenditures of up to \$50,000 for each day the Legislature is convened.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
