Enactment of this legislation likely will not materially impact state revenue.

Total Expenditures	\$(1,200,000)	\$0	\$0

Enactment of this legislation would reduce from 1 percent to 0.25 percent the amount set aside for the Utah Percent-for-Art Program out of the amount appropriated for the construction of any new state building or facility, and it would cap the set-aside at \$100,000 per project. This could reduce expenditures for the set aside by \$1.2 million one-time in FY 2020 from the Capital Projects Fund for new capital projects the Legislature approved in the 2019 General Session.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
