Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation could increase ongoing revenue to the Multicounty Appraisal Trust by approximately \$1,134,000 in FY2021. Counties may also receive increased revenue disbursements from the Property Tax Valuation Agency Fund; the FY2021 projected revenue increase is approximately \$1,800 in aggregate. Amounts in future years will change, depending on changes in property value and new growth.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation could increase property tax rates for individuals and businesses. For a \$300,000 primary residential home, property tax liability may increase by approximately \$0.50 in FY2021. For a \$1,000,000 business property, property tax liability may increase by approximately \$3 in FY2021. Amounts in future years will change, depending on changes in property value and new growth.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
