

Performance Note
SB3006 - COVID-19 Financial Relief Funding
 Sponsor: Sen. Fillmore, Lincoln

Performance Note Report

Author: Dan Schuring
 Agency: Department of Workforce Services

Funding For:

New Services or Benefit

Public Benefit:

Purpose: Bill creates a program and funds existing programs and services related to relieving economic injury to individuals and businesses affected by COVID-19. It directs Department of Workforce Services to assist state residents financially harmed by COVID-19 to retain or obtain housing.

Services: Assist state residents financially harmed by COVID-19 retain or obtain housing.

Expected Outcome: The expected outcome will be the number of households that will retain or obtain housing.

Implementations and Resources: The bill will be implemented through a part-time FTE that will oversee the program and enter into contracts to successfully implement results-based contracts. The department will issue rules related to the implementation of the legislation.

How: The proposed activities will allow for assistance for residents affected by COVID-19 to retain or obtain housing.

Performance Measures

Goal

Title: Eligible households served.

Description: The total number of households that receive a rental assistance payment.
