State Government

UCA 36-12-13(2)(c)

Revenues	FY 2021	FY 2022	FY 2023
Total Revenues	\$0	\$0	\$0

To the extent that more operators of landfills or transfer stations violate provisions of this legislation, the state could see an increase in revenue of \$2,900 to the General Fund from base fines and surcharges, and \$53 to the Court Security Account per conviction, which cannot be estimated in aggregate at this time.

Expenditures	FY 2021	FY 2022	FY 2023
Waste Tire Recycling Fund	\$0	\$209,300	\$209,300
Total Expenditures	\$0	\$209,300	\$209,300

Enactment of this legislation could increase expenditures from the Waste Tire recycling fund by \$209,300 per year ongoing starting in FY 2022 for reimbursements to local governments and transfer stations in counties of the first and second class for the cost of transporting waste tires to recycling facilities. To the extent that more reimbursements are sought under this section as a result of this legislation, the Waste Tire Recycling fund could see an increase in expenditures of up to \$523,200. An unknown increase to court processing expenses could occur, which would be proportionate to an increase in felony cases that result from legislation.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
