--------------------------------------------------------------------------------------------------------------

#### Performance Note

JR4-2-404

Required of the Heritage and Arts and due by February 05, 2021
----------------------------------------------------------------

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
