**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation could result in new revenue of up to \$500,000 in aggregate for all metro townships, assuming new levies of the statutory maximums for both energy and telecommunications license taxes. Enactment of this legislation could also increase costs to metro townships for holding public hearings and mailing notices; the aggregate impact is unknown.

**Individuals & Businesses**

UCA 36-12-13(2)(c)

Enactment of this legislation could result in increased taxes for businesses and individuals within metro townships. If townships were to levy the statutory maximum, the aggregate business and individual impact would be approximately \$500,000 annually.

**Regulatory Impact**

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

No performance note required for this bill

## Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
