Agency: Department of Workforce Services

Funding For:

---

New Services or Benefit

Public Benefit:

---

Purpose: To create a pilot program in partnership with a non-profit to provide homeownership opportunities for educators.

Services: Down payment assistance.

Expected Outcome: More educators being able to obtain homeownership opportunities.

Implementations and Resources: The Olene Walker Housing Loan Fund Board will procure a nonprofit partner to administer the program and provide the down payment assistance to educators.

How: Increased homeownership opportunities for educators through down payment assistance.

**Performance Measures**

---

**Goal**

Title: Educators obtaining homeownership.

Description: The number of educators obtaining homeownership through the down payment assistance pilot program

Collection Method: The non profit provider verified with the participating school district and validated through closing documents.
